

BIRTHDAY PARTIES @ UPSTAGE DOWNTOWN DANCE THEATRE

Have a party for your child's birthday at UDDT and invite 8 of your friends! Let us help create a magical day your child will never forget with a UDDT Birthday Party!

Your dancer or gymnast and friends will celebrate a special birthday with an hour and a half to two hours of ballet, jazz or gymnastics fun and activities with a dance or gymnastics instructor.

We begin with a 30-45 minute age-appropriate movement class. While the class is in session, we have a room for you to set up and serve your birthday refreshments and one of our carpeted rooms will be perfect for opening birthday presents.

UDDT will also provide to each guest a certificate for one free dance or gymnastics class at UDDT.

No dance or gymnastics experience is necessary. Dance/gymnastics attire welcome, but not required. Children should attend in comfortable clothing and ballet/jazz shoes or bare feet. Outside food and drink are welcome.
